SUBJECT: ECONOLOGUE SITE PLAN AMENDMENT – RT. 32
NEW WINDSOR PLANNING BOARD NO. 03-27

Dear Mr. Burns:

The Town of New Windsor Planning Board has received an application for site plan approval of an expansion to the Econolodge facility located on NYS Rt. 32 within the Town. The Planning Board has requested that improvements be made to the entrances to the site, primarily to eliminate the multiple access condition, with revision to two entrances, one on each end of the site. The board has determined that the applicant will be required to obtain a Highway Work Permit from your Department.

We are forwarding herewith a copy of the plans submitted with the application for your review and comment. The plan incorporates improvements as requested by the Planning Board. We request that you notify the Planning Board of any concerns regarding this application, which should be considered by the Board during their review of the project.

It is not the intent that these plans be considered the plans required for the Permit application, as these will be the responsibility of the applicant following site plan approval from the Town.

We look forward to your input regarding this application before the Board.

Very truly yours,

TOWN OF NEW WINDSOR PLANNING BOARD

Mark J. Edsall, P.E., P.P.
